PETITIONING THE COURT

To issue a warrant.

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number Nature of Noncompliance

1 **Mandatory Condition:** The defendant will not commit another Federal, state or local crime.

Supporting Evidence: Mr. Sprauer was arrested on April 24, 2011, and is under investigation for first degree assault. Information from the Chelan County detective reveals Mr. Sprauer was at a party on April 23, 2011. A fight ensued between Mr. Sprauer's friend and another male. The other male ended up on the ground, and Mr. Sprauer allegedly stomped on the male's head four times. The male had to be taken to Harborview Hospital in Seattle, Washington, to repair his ear, abrasions to his face, and address a potential skull fracture, which was later determined to be negative. There are four independent eyewitnesses who observed Mr. Sprauer's behavior and corroborated the previous noted actions.

2 **Special Condition #19:** The defendant shall abstain from alcohol and shall submit to testing (including urinalysis and Breathalyzer), as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from this substance.

Supporting Evidence: Mr. Sprauer submitted a urine sample to our contract provider on March 30, 2011. The specimen was confirmed positive for Ethyl Glucuronide (ETG) alcohol, on April 4, 2011, through laboratory analysis.

On April 24, 2011, Mr. Sprauer disclosed to this officer that he consumed alcohol on or during the evening of April 23, 2011, or during the early morning hours of April 24, 2011. Later that same day, Mr. Sprauer told a detective within the Chelan County Sheriff's Department that he had been drinking alcohol and advised he had eight shots of rum the previous evening.

The U.S. Probation Office respectfully recommends the Court issue a warrant for the arrest of the defendant to answer the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
